

Automated Testimonial & Referral Engine Kit

Turn satisfied customers into a steady stream of testimonials and referrals --- automatically, professionally, and without adding work to your plate.

Starting at \$549

Customized to your needs

The Problem

- Most businesses hope for testimonials and referrals but lack a consistent process to get them.
- Without a system, you're leaving social proof, trust, and new leads on the table every day.
- Manually following up with every customer is time you don't have.

Two Options --- Choose What Fits Your Business

OPTION 1

Implementation Kit From \$549

For businesses that already have an email platform in place

- ✓ 2 professionally written AI-assisted emails (review request + referral request)
- ✓ Step-by-step Implementation Playbook (visual PDF guide)
- ✓ 30-minute support call for your team

OPTION 2

Full Setup & Handover From \$749

For businesses that need a new email platform set up from scratch

- ✓ Everything in the Implementation Kit, plus:
- ✓ New MailerLite account setup (free-to-start)
- ✓ Complete automation workflow built, tested, and activated
- ✓ 30-minute Handover & Training Call

Our Simple 3-Step Process

1. Strategy Call

We clarify your goals, tone, and timing for outreach.

2. Build & Guide

You choose your option and we deliver everything you need.

3. Launch & Support

You activate the workflow --- or we do it for you --- and reviews and referrals start coming in.

Replace Hope with a System.

Social proof builds trust. Referrals drive growth. This system delivers both --- automatically, professionally, and in your voice.
